THURSDAY, NOV. 4, 1897.

THE people of Ohio have shown their keen disapproval of Hanna methods.

Onto Hannaltes fully realize the sensation incident to going up against it.

after let out the job of extracting the tiger's claws. THE McKinley administration is

itself endorsed. Owing to the apathy of voters in Virginia the Democrata only polled

100,000 majority.

when voters think, the money barrel cuts but little loe. Onto does a lot of grand stand work,

Buckeye state is right there.

hopes to win by a tight squeeze.

Once get the combination of a game and even the per cont. cannot bratone. The Illinois Soprome Court Affirms a MARK HANNA can now return to the

white house, serve out his remaining Dixon of this city, who was called as three years and then drop into ob- an expert witness in a personal injury

tell on the noble red man in time.

THE Ohio result augurs unwell for Oklahoma politicians. President Me-

was stumping for him is entirely with out foundation. That secret was carefully kept from him.

OLD Man Scattering ran an exciting handleap in Ohio. He was closely followed by General Debility and General Coxey's followers, who are doubtless still voting.

PRESIDENT MCKINLEY contempts ously tosses off territorial affairs, vet the fact remains that about all his endorsements thus far have come from the territories.

DIMOCRATS are more than satisfied through glaring frauds and bribery. The lesson was a pointed one, and the Democrats profited by it this year. Hannaism is dead.

Now, how did Wall street get news of the postponement of the Union ing him instantly. One leg of the fire-Pacific sale four hours before the attorney general made the announce- An ankle of William Price, head ment? It is such things as this that brakeman was broken; W. L. Bass, tend to corroborate the Populist argu- the conductor, was slightly injured ment that the national administration and Wall street are closely related.

GRISTMILL JONES has succeeded in "working" the St. Louis traffic bureau. That's honor enough for Gristmill and he earns the money donated to him by Oklahoma City people. It is now in order for Jones to step back and allow Guthrie to build the St. Louis trunk line.

THE Republicans who are throwing their hate in the air over the report that sugar planting is to be a great erated among the members of the industry in Missouri would do well to company supporting the star."-Chiexplain why their tariffs force the cago Post, American augar planters to compete with the sugar trust's immense cheap labor plantations in Hawail. Surely they cannot be ignorant that in spite of protests their tariff tinkerings pro- utes' walk from your front door to the vided for the free importation of the gate." Figgs-"Well, I know it takes trust's products.

Kansas is atill harping on the pos- apolis Journal. sibilities of irrigation in that state, notwithstanding the practical failure of everything of the kind thus far undertaken. Professor Haworth of the state university is issuing a call for the fifth annual convention of the Cleveland Plain-Dealer. Kansus State Irrigation association, to baheld in Lawrence, Nov 18 and 19 It is expected that it will be the biggest meeting in the history of the association. The program will cover a discussion of every new and import art phase of the question of irrigation.

Norwithstantine the jollying that publicly giving himself for his work in helping the Huntington syndicate make sure of getting the Union P. cific railroad at a price admitted to be many militons below the actual value Prepared by C. I. Hood & Co., Lowell, Mass. of the property, he is said to fear that The unit Pill to take with hood's Sarsuparilla.

it may keep him out of that covered post on the bench of the United States Entered in the post office at Guthrie, Onia nominated in a few weeks. He knows that there are a number of senators who are thoroughly posted on this whole Union Pacific business, and he bas a dread lest they should see fit to either hold up or defeat his nomination to succeed Justice Field as a punishment for his connection with the

OUTHRIE MUST AUT AT ONCE, A. J. Vanisudingham, commissioner prepared and submitted to the Basiness Republicans Claim a Majority of the of the St. Louis traffic bureau, has # 00 Mens' league of St. Louis, for adop-__.e st tion, a two-column report in which he favors the building of the railroad between St. Louis and Oklahoma City. The communioner gives a host of valuable figures and statistics, and by striking out the name Oklahoma City and inserting Guthrie, the report is a blazer. Much of the stuff citing Ok important town in the territory was inspired by Messrs. Jones, Overholser and other Oklahoma City men who have camped at the St. Louis bureau headquarters for six months past. Aside from town discrimination, the NEW YORK Republicans will hereened two-fold by Gathrie.

having a hard time trying to get furthering the Brown railroad project | teenth. Six thousand dollars remains to be THE result in Onlo is evidence that subscribed to the bonus. There should be no delay in this matter, and citibut when business needs attention the strong and influential backing, appar graphic returns whatever. Chairman GEORGE Bune of Denver, has been allowed to languish for the lack of nine out of the thirteen judges. sued for divorce in Fargo, S. D. He enterprise and the subscribing of a few thousand dollars.

Decision as to Professional Men.

SPRINGFIELD, III., Nov. 3 .- Dr. J. N. case against the city, refused to testify unless he was first paid a reason-A CHEER Indian has beat the great able fee for his service, claiming that United States government out of his professional opinion was his own \$00,000. Christianizing influences will property and could not be taken away from him except by due process of licans elect sheriff, register of deeds, law, as provided in the state constitu.

Judge Greighton ruled against him and fined him for contempt of court. Kinley wears a pale-blue cast and will The court held that his professional judge. Probably Hettinger, fusion, not be disposed to think for several knowledge was not property within will have small majority-less than that in the exercise of the right of the THE story that Henry George fell court to sommon witnesses and com- city of Topeka and a majority of the dead upon hearing that Mrs. Lease pel them to testify, no distinction knowledge. To make such a distinction would defeat the ends of justice. The case was appealed and yesterday the finding of Judge Greighton was upheld by the supreme court.

TRAIN FALLS FORTY FEET.

Jumps Off a Trestle Near Warsaw, Mo. .-One Killed and Four Injured.

WARSAW Ma, Nov. 3 -The mixed passenger and freight train on the Sedalia, Warsaw & Southwestern railroad, was wrecked at the trestle three miles north of here at about 12 o'clock to-day. The fast freight cur jumped the track near the center with the results of Tuesday's election. of the trestle, taking the engine and Last year Democracy was knocked out eight freight, baggage and passenger ears from the highest point of the trestle, which is about forty feet above the ground.

The engineer jumped to the right and the fireman to the left. The train fell to the right and the engine fell on the engineer, John A. Miner, killman, Charles McComas, was broken. about the head and legs; Fred. Schweetman, of Lincoln, Mo., whose head was injured, was the only passenger burt, the other passengers escaping by jumping.

Parts We Play.

"It may be true that all the world's a stage," said the gloomy man, "but the statement that the men are players is gross flattery in most cases."

"What would you call them?" "Supes. About 999 in every 1,000 are just plain, ordinary, everyday supes, who are not even entitled to be enum-

Itanda Agree to Arbitrate Wages. MANCHESTER, Nov. a -At a conferonce here between representatives of the employes and cotton mill operators, the employers gave a months notice of their intention to make a 5 per cent reduction in wages. As the operatives throughout the North of England had announced that they would resist a reduction in their wages, a strike affecting 200,000 persons was to be expected, but later in the day it was announced that the representatives of the employers and the delegates of the operatives had come to an agreement to submit the matter to arbitration.

A Noted Frenchman's Pall. Pants, Nov. 8 .- When Dr. Blanchard was appointed professor of natural history in the National School of Medfeine in July he found valuable botancal collections and microscopes and other expensive instruments missing and investigated, finding many other osses representing a large sum. The police have traced the theft to a phydeian of world-wide reputation, who stands at the head of his profession in this country and whose name is one of the best known in the republic. As he is wealthy, kleptomania seems to The Republicans have elected M. P. be the only explanation of his conduct. His influence will probably keep his name out of the newspapers.

> Tammany Makes a Distribution of Funds. New York, Nov 3. -Tammany hall distributed its "stuff" yesterday. The coney was carried away from the Wigwam in Fourteenth street by ten carriages. Richard Croker was on hand to see that the work was properly done. Each election district cap tain is to receive \$5 for his expenses. There are 883 of these making a total of \$44,150 to be distributed.

Last year the United States exported \$12,000,000 worth of hame-120,000,000 pounds-of which England bought 103,-
